## BRUSH TRAILER RULES

The 6' x 12' dump trailer with side boards, is the property of the Town of Clarkson Highway Department, and is offered as a courtesy for residents' use:

- Subject to availability. First come, first served. General use: 24 hours, however, you may reserve for additional consecutive days.
- M-W: morning drop-off; pick-up the following morning.
- Th: morning drop-off; pick-up the following Monday.
- Drop-off can only be on a pavement or stone driveway.
- After delivery, trailer is not to be taken off the support block or moved from the drop-off site.
- Trailer must not be filled higher than the side boards.
- This is not a "junk" trailer; it is to be used for **brush only** (i.e. natural matter for grinding into mulch).
- Contact the highway office at 637-1132 to schedule a drop-off date.
