**OPEN FORUM**

David Becker, from Sunshine Carting approached the Board with a service to remove our chip pile at no cost.

Midwest Bio-Systems offers advance compost system and production. He distributed to the Board a detailed report on how the process works.

He carries Liability and Workman's Compensation Insurance.

Supt. Goodwin stated the Town spends annually \$3500.00 plus equipment and 2 employees to do grinding. A concern was raised about if there would be chips available for our own residents? He said he was willing to leave chips for our resident's use.

Councilperson Purdy stated he would like to research this project further. Supervisor Kimball will set up a meeting.

Sheldon Meyers asked about the proposed canal kiosk? Councilperson Didas reported that it is under construction at the Town Garage. Upon completion it will be installed at San Socie Park.
