**OPEN FORUM**

Steve Pratt of 2845 Redman Rd. addressed the Board regarding the 2010 Budget Legal notice in the Hamlin Clarkson Herald.

John Lemke of 93 Gallup Rd. addressed the Board inquiring why a car owned by Monroe County was parked in a Town owned parking area.

**8171 RIDGE ROAD DRAINAGE ISSUE**

- Ken Daniels of 8171 Ridge Road addressed the Board stating that he feels the Town should be responsible for installing drainage tile along the east side of his property line and offered to reimburse the Town for the work.
- Bldg. Insp., Chad Fabry visited the site with Mr. Daniels and stated he found the problem to be that Mr. Daniels house sits low in the center of his property causing the water from his own yard to pitch towards his house.
- Supervisor Kimball quoted Town Engineer, J.P. Schepp, P.E. letter "based upon my observations, there are adequate drainage facilities along the property lines to address surface drainage. Additional site grading on the site could improve directing surface water away from the house, but I believe that that would not be the Town's responsibility."

**PROPOSED REDMAN ROAD WATER DISTRICT**

Attorney, Richard Olson updated all present and explained the process going forward could take approximately one year to obtain State Comptroller approval.

**Terry Howatt** of 1301 Drake Rd. questioned the approval process used in Sept. 2003 for the proposed Drake Rd. water Dist. Supervisor Kimball explained the same process was used, however the majority of Drake Rd. parcel owners responded negatively.
