There are numerous softball and kick ball teams in the area with no place to play. Supervisor Kimball reported that the local travel lacrosse teams will be using the fields this spring. He also admitted that there were problems last year and he has had conversations with the Sweden personnel. Mr. Reilly said he would be a contact person. Supervisor Kimball remarked that the park is not intended to be a money maker, but agreed that it should be utilized more for leagues and/or tournaments. He will contact Jill Wisnowski to discuss the situation and then contact Mr. Reilly directly. Mr. Reilly also suggested that we place a sign by the road to the park advertising that "leagues are available."
