The Board met for continued dialogue regarding keeping the 2015 budget under the tax cap.

After a lengthy discussion it was determined the most effective way to reduce expenditures would be to freeze the Town's contribution for health care at the 2014 rate as discussed at the September 16th workshop along with reducing celebration contributions and allowing for only a 1% increase to the Sweden Clarkson Recreation/Senior Center and Seymour Library budgets.

The budget officer will be submitting the preliminary budget to the town clerk subsequent to the meeting.

Respectfully submitted,

Sharon S. Mattison
Town Clerk
