NEW BUSINESS

Town of Clarkson Solar Energy Law

P. Dittman stated that J. Underwood met with him and C. Ziarniak (Planning Board Chairperson) to discuss solar energy issues. The Town Board is requesting that the Zoning Board and the Planning Board create a solar energy law for the Town of Clarkson.

The Zoning Board agreed to work on this project as time permits and a project plan was created. The board members began reviewing the Town of Webster Solar Energy Law to use as a guide. They will continue this process at future meetings. They will also reference other local towns' solar energy laws and the New York State Solar Energy Law. When they have finished creating a draft Town of Clarkson Solar Energy Law, they will ask C. Fabry (Code Enforcement Officer) and R. Olson (Town Attorney) to review it before presenting it to the Town Board.
