Spring & Summer 2018 - Highway Department Projects

All roads: once the weather breaks, we will begin lawn repair from snow plow damage, and/or permanent mailbox repair. If you think you've been missed, please call the office at 585-637-1132.

Town Roads:

- Tea Rose, Burch Farms, Laura Lane – mill and pave

County Roads:

- Lawrence Road, between Rts. 19 and 260 - culvert replacement project – **rescheduled to 2019 by Monroe County DOT**
- Ireland Road – chip seal

Capital projects:

- Clarkson Parma Town Line Road water main installation, beginning 4/2/18, with the main extending from Peck Road S to Ridge Road.
- The Lake Cook Sewer Extension will be on schedule immediately following the water main installation. The sewer line will be installed on the W side of Rt. 19, traveling 1,000' S of Woodstock Lane.

Other:

- Residential drainage concerns and problems
- Removing log jams and other debris that may have collected through the winter season
- Bank stabilization projects

If you have any drainage problems, please call the Highway Department at 585-637-1132.
