For a Special Permit for a PERMANENT SIGN - Fee: \$150

Upon approval of the Special Permit by the ZBA, applicant is required to submit a Building Permit application to the Building Department for the approved sign.

Building Permit fee: \$10 per sq.ft. / min. fee: \$40 for a sign >6 sq.ft. but < 40 sq.ft.

When it can be established that an existing sign has been permitted, and a new sign is proposed in its place, the ZBA requests the applicant to complete a sign permit application (including location of sign on instrument survey or tape location map). If the ZBA determines that the new sign is virtually identical with respect to size, location, illumination, etc. ("apples to apples") then no new fee or public hearing would be required. If it is significantly different, then it would be treated as a new sign permit and the application fee and public hearing would be required.
