

## **Electrical Inspection Agencies:**

Final Electrical inspection certificates are required by the Building Department before a Certificate of Occupancy/Compliance will be issued. The Town of Clarkson recognizes three agencies for final electrical inspections. It is the property owner's responsibility to contact one of the agencies listed to schedule a final inspection:

**Middle Department Inspection Agency – (585) 454-5191**

**Commonwealth Electrical Inspection Services – (585) 624-2380**

**New York Electrical Inspection Agency – (585) 436-4460**

Note: This information can also be found on the second page of the Building Permit Application.
