

Inspection Information:

Inspections are required during the Building Process. Please call the office to schedule inspections and give at least 24 hours notice to schedule the inspection. Inspections are your responsibility. If you have questions about the inspections, please call the office.

Note: This information can also be found on the second page of the Building Permit Application.

- Footings – Before concrete. Call with a pour time.
- Wall – After waterproofing, prior to back fill.
- Rough Plumbing – Underground prior to back fill. System to be filled.
- Rough Framing – After mechanicals and prior to insulation.
- Fireplace – Masonry before first flue tile/insert and before clearances are blocked.
- Final Electric – By Agency, please see Electrical Agencies.
- Final – When all work is complete and structure is ready to be used.
- Certificate of Occupancy or Certificate of Completion will be issued.
